to price. Do that by creating a sales web page for the brand new book, however do not embrace a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is exactly the identical on each page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum worth is.
