Do that by making a gross sales page for the brand new book, but don't embrace a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a

value to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on every page. Be sure your gross sales copy is strictly the identical on every web page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.

Ultimately, when you've written a ebook that solves a problem or presents a brand new method, your e-book will bring in both site visitors and profits.
